The way these institutions change and develop not only depends on governmental policies, but also on complex processes of social transformation and institutionalization that go beyond as well as set the limits of what the government and policy makers can do. Maassen and Olsen Universities, however, remain the core of higher education and the best conceptual framework from which the dynamics of higher education is understood. Feature writing Awarded to Eli Sanders of The Stranger Seattle, Washington, weekly, for his haunting story of a woman who survived a brutal attack that took the life of her partner, using the woman's brave courtroom testimony and the details of the crime to construct a moving narrative.
