The wholesaler deliberately held off from its largest advertising and promotion activities until the competitor acted. They had dreams of an art more discreetly supple and less monotonously accomplished, entirely intimate and vital, willing to relax its grip upon the world outside us, to forgo its pretensions to be absolute and even to reject the pomp of approved harmonies, in order to be truer to the gaps and ellipses, the gropings and the embryonic velleities which are so large a part of our con- sciousness. I'd love help remembering the name of a book I read when I was maybe in late teens, so around mid to late 70s.
