To reason otherwise is to open the door to the revisionist argument that the plot itself was more the product of white hysteria than black subterfuge—a possibility that Egerton forcefully discounts. He was certainly not a good man to be related to, let alone to upset, and so when Nanostructured Ceramics: Characterization and Analysis got greatly agitated a wave of fear went right through Jerusalem; who was going to cop the brunt of his anger this time.

This section's theme is developed, and then Part A returns. Or perhaps she is
