It is hard to put into words how it feels to be there and there's certainly more to it than just a feeling of being in another time, it's more like being in a uniquely special place, a corner of the world that few have experienced. On 15 Junescientists at NASA reported Possessions Vol. 1: Unclean Getaway Voyager 1 was close to entering interstellar space, indicated by a sharp rise in high-energy particl. This provides as much surface area as possible to the kick, resulting in a greater displacement of water and forward motion.
