A rarities album from German electronic-music pioneers Kraftwerk originally advertised as their first official full-length release in nine years, is a hoax. And in a country either overpeopled, or threatened with being so, to produce children, beyond a very small number, with the effect of reducing the reward of labour by their competition, is a serious offence against all who live by the remuneration of their labour. The same active spirit that calls forth the talents of individuals for the preservation of their liberties, and VOL.
