Russian Orientalism: Asia in the Russian Mind from Peter the Great to the Emigration

Au second empire Paris se modernise et devient la capitale de la mode et du luxe. Going back to the Nazi occupation of northern Italy during World War II, however, to examine the various British, American, and Nazi actors and their respective ties to different Italian factions, the reality quickly becomes apparent: that the Anglo-American Synarchists merely replaced-and to a great extent subsumed-the Nazis and Mussolini's Fascists as the would-be fascist occupying power, locked in mortal struggle against those Italian patriots, both "conservatives" of the Christian Democracy and "leftists" of the Italian Communist Party, who wished to establish a sovereign Italy.
